We have been taking
all plugged coins at a
reduction from our customers
and have quite a collection
every few months. Such as
plugged quarters, dimes & silver
dollars. also. have quite a number
of trade dollars. which we receive
from time to time from our
customers, and write you
for information as when
we could dispose of same.
so it would be to our advantage
and also to our customers -
any information you can give us -
will be much obliged. Respy. Boggs & Buhl

Dr Sir.

We have been taking all plugged coins at a reduction from our customers, and have quite a collection every few months. Such as plugged quarter, halves & silver dollars. Also, have quite a number of trade dollars, which we received from time to time from our customers, and write you for information as when we could dispose of same. So it would be to our advantage and also to our customers – any information you can give us – will be much obliged.
